

## **SALTWATER AQUACULTURE TECHNICIAN**

Cold Ocean Salmon Inc., a division of Cooke Aquaculture Inc., a dynamic and growing east coast family company with Platinum Member status in the Canada's Best Managed Companies Program, is offering a unique opportunity for a highly motivated individual to join the company's team as Aquaculture Site and Maintenance Vessel Workers.

Cooke is a global seafood company with operations in North America, Europe, and South America. Our company's success is driven by our dynamic, highly skilled, and innovative management team, supported by dedicated employees who live in coastal communities and contribute to the local area's economy and sense of community.

### **The Role**

As a Saltwater Aquaculture Worker, you will be responsible for:

- Monitoring and operating the feeding systems.
- Reporting any observed irregularities in stocks
- Grid installation and inspection/repair
- Marine cage and net installation and removal
- Operating, maintaining, and cleaning aquaculture equipment and enclosures
- General site maintenance, including net washing.
- The operation of boats for aquaculture operations
- Grading and weighing aquaculture stock.
- Performing harvest assistance as required

A successful candidate will:

- Be a self-motivated team player.
- Be willing to work flexible work hours and schedules.
- Have the ability to work in outside weather conditions on aquaculture sites and/or aboard maintenance vessels.
- Hold or be willing to obtain a Marine Emergency Duties (MED) certificate.
- Experience within the aquaculture field would be considered an asset but not required as on-the-job training is provided.

This is a labor-intensive position, requires standing for long periods of time, and applicants must be comfortable working in outside weather conditions on both aquaculture sites and aboard maintenance vessels.
