MARINE DEBRIS SCAVENGER HUNT

World Oceans Day June 8th

Marine debris, also known as marine litter, is human-created waste that has deliberately or accidentally been released in a sea or ocean.

You are invited to participate in a World Oceans Day Marine Debris Scavenger Hunt! Enjoy a day at the beach and find as many items as possible on the list below. Contest is open to K – 6 students until June 10th. Participants should email a photo or two with the items, as well as the completed form below to: roberta@naia.ca. All photo submissions will be posted to NAIA’s Facebook page (NL Aquaculture) and entered to win a \$100 Visa Card. Be sure to bring the items home with you and dispose of them safely once the photo is submitted. Judging will take after World Oceans Day. HAVE FUN & PLEASE STAY SAFE!

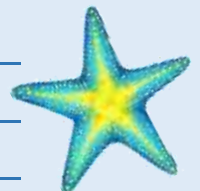

ITEMS TO COLLECT			
	A candy wrapper		A plastic bottle
	A plastic bag		A piece of cardboard
	Something blue		Fishing line
	A piece of rope		Something red
	A small piece of styrofoam		A potato chip bag
	A glass bottle		A piece of worn beach glass
	An aluminum can		A bottle cap
	A piece of clothing		Construction debris

World Oceans Day Supporters are Focused on Ocean Conservation and Sustainability.
